i hope the day will be a lighter highway . . .

# for friends are found on ev'ry road . . .

with a friend at hand you will see the light . . .

if your friends are there then everything's all right . . .

these fragile times should never slip us by . . .

a time you never can or shall erase

as friends
together watch
their childhood
fly...

with a friend at hand you will see the light
